

Dipak Sadhu Palve

.NET Developer Full Stack

palvedipak19@gmail.com | +91 9730410254 | <https://www.linkedin.com/in/dipak-palve-a56510297>

Pune, Maharashtra, India

Summary

Aspiring .NET Developer with experience in C#, ASP.NET Core, Web API, and SQL Server. Skilled in building scalable backend systems, optimizing databases, and implementing JWT-based authentication and role-based access. Committed to writing clean code and contributing to robust, team-driven software solutions.

Technical Skills

C#	Microsoft SQL Server	HTML	CSS	JavaScript	ASP.NET Core	ASP.NET Core Web API
Entity Framework Core	RESTful API	JWT Authentication	ASP.NET Core MVC	TypeScript	Angular	

Experience

.NET Developer Intern — Zest India IT Services Pvt. Ltd., Pune (Aug 2025)

Developed backend APIs using ASP.NET Core Web API and Entity Framework Core for Employee Leave Management System. Designed and normalized SQL Server databases, implemented CRUD operations with stored procedures. Integrated JWT authentication and role-based access control (Admin, Employee,HR). Documented and tested APIs using Swagger; collaborated with frontend developers for seamless integration.

Projects

1. Employee Leave Management System

Web application built with ASP.NET Core, EF Core, and SQL Server. Implemented modules for employee leave requests, admin approvals, leave balance tracking. Used layered architecture, JWT for authentication, and role-based authorization.

2. Banking System (Console Application)

Console-based banking system developed in C#. Implemented user authentication, fund transfer, transaction history, and role-based access. Applied OOP concepts including inheritance, encapsulation, and polymorphism.

Education

Qualification	Institute	Year	CGPA / Percentage
B.Tech	Government College of Engineering, Yavatmal	2024	CGPA: 7.51 / 71.34%
H.S.C	Vijaysingh Mohite Patil Jr. College, Jadhavwadi	2019	71.21%
S.S.C	Karmveer Babasaheb Patil Vidyalaya, Sadashivnagar	2017	83.40%

Core Strengths

Problem Solver	Team Player	Adaptable Learner	Time Manager
----------------	-------------	-------------------	--------------

Interests

Playing team sports (Cricket, Kho-Kho): Enjoys both playing and watching, Indicates teamwork, discipline.
Traveling or exploring cultures: Reflects adaptability and openness to new experiences.
